

**This course offers a practical and theoretical introduction to devised theatre.**

**Devised theatre is a process of performance creation from means and materials other than a play script.**

**You will study the work of contemporary practitioners who challenge traditional notions of how identity, language, the body, and place are represented in theatre.**

**The focus of THPERF 301 in fall of 2023 is fear, hate and hope in a post-truth world.**

# **THPERF 301**

**Performance Creation**

**Instructor: Andy Houston**
