12:37

Courtney: explaining that we need write up for each event

Softball: great success, Exec did the write up because they ran the event.

Suggestions for softball for the future: Try to get Diamond 1 since it has bleachers but you need to book in February. There is a tourney every year that books in advance. We played on Diamond 3. Diamond 1 is more expensive than Diamond 3.

12:40

Ranch Night- can no longer be a UWOSS run event but the exec elects will still be running it- just UWOSS will not sponsor it. Tickets are \$10/person to cover the costs of buses. Tickets will be on sale this weekend. Event is September 22, 2012 @ 8pm. Need to cancel third bus by Thursday if attendance is not high enough.

12:41

Halloween- Sat. Oct 27, 2012 @ SCH. First year social Reps are in charge- will be voting for best costume and best optometry related programs. We need sponsors for Halloween for prizes.

Talk to upper year social reps.

12:42

Lost Faculties want to perform at Corneal Cup after Party and want to do a charity event in the fall. We are not sponsoring it but helping organizing it. Thinking October 12, 2012 @ The Bomber. Looking for a good charity to donate to- suggestions are welcome

12:43

3rd year sports rep: Corneal Cup- Cannot book ice or bomber until November. Lost Faculties have confirmed to play at the after party. Corneal Cup will be January 8-11. Coopervision will be sponsoring it again.

12:46

Curling- Bryant has confirmed the event on Saturday January 19 @ Westmount country club. They want to cater the event but we cannot bring food in. Just make sure the second year sports rep make note of this when they email students. Need to have a bar bill \$250.00. Optomspiel. 4 people per team. TopCon sponsors...

12:48

Volleyball- January 26- First year Sports reps organize it. Lasik MD sponsors it. We need to send a sponsorship package.

12:50

Eyeball and CAOS cup. Eyeball will be March 16, 2012 @ The Waterloo Inn. 40 rooms have been booked for Saturday and 30 rooms have been booked for Friday night. Blocked off 10 for Waterloo students...1st year social reps will run it. 400 people is max capacity. Need a DJ, theme, Photobooth, Casino option? Murder Mystery theme?

12:52

Skit Night Saturday March 23, 2012 has been at FEDS hall on main campus but this year FEDS doesn't have ownership anymore. First problem- FEDS subsidized it. Second issue- we have to pay for a venue unless FEDS has an alternate venue; we are meeting with them on Wednesday to look at options. This is an Executive run event. SCH is booked as a back up plan. We want it to be a theater setting so we are looking into Venue options

12:56

First Years want their Lockers- advised to email Marie Amodeo

12:57

November 17-18 is CAOS MONTREAL WEEKEND and Interview Weekend is November 24-25
